

St. Katherine of Siena Summer Camp

Dear Parents,

Registration for SKS Summer Camp will begin on Monday March 13th. All camp forms and letters are available on the school's website, sksphila.org. Space is limited. Your space in the camp is secure once a completed registration form with registration fee is received. The camp is successful because of all the great families that have chosen to send their children to camp here at SKS. Even though majority of children attend SKS, word has spread and we are attracting families from outside the parish.

All important information for camp will be communicated via email. It is important that a working email is legibly written on the registration form. If you do not give an email address you will not receive any of the camp information.

Trips are planned/booked during the first week of camp based on the number of children registered for camp. If any parent is planning on attending the trips with their children they must have all clearances on file with the rectory. This is the same policy during the school year. Camp T shirts are also ordered the first week of camp. If you register after the first week of camp there is a possibility that your child will not receive a camp T shirt as well as not be able to attend a trip.
