

Dear Parents,

Summer camp is fast approaching, and we are very excited about all of the fun activities that your child will partake in this summer! The children will be constantly active in camp with structured learning and a physical activity! We have planned themed weeks for each week of the camp that will coincide with what they will do each day for that week of camp. With these themed weeks, the children will be given a craft to do in the morning relating to that theme and in the afternoon will do some type of game/physical activity relating to the theme.

I will give a heads up of each day of the themed weeks as we get closer to the beginning of camp and if the children will need to bring anything or be allowed to wear certain clothes depending on the week! If you have any questions at all, feel free to reach out to me at [jthielsks@gmail.com](mailto:jthielsks@gmail.com)!

Thanks again,  
Joe Thiel
