

# St. Katherine of Siena Summer Camp

Dear Parents,

We are very excited about 2018 SKS Summer Camp! Camp has been completely revamped to better serve our campers and their families. We are happy to announce that camp will now be extended to children entering PreK4 at SKS for the first time! We have added new staff, engaging classes and many new fun activities! We will also be offering some Summer Programs towards the end of the summer that our campers can receive at a discounted rate. More information will be posted on that in the coming weeks. We are looking forward to giving your child an awesome summer experience at SKS Camp!

Registration for SKS Summer Camp will begin on Thursday, April 19th. All camp forms and letters are available on the school's website, [sksphila.org](http://sksphila.org). Space is limited. Your space in the camp is secure once a completed registration form with registration fee is received. The camp is successful because of all the great families that have chosen to send their children to camp here at SKS. Even though a majority of children attend SKS, word has spread, and we are attracting families from outside the parish.

All important information for camp will be communicated via email. It is important that a working email is legibly written on the registration form. Please return the form and registration fee to the school office in an envelope marked: Attention Joe Thiel.
